TSW212

Brand: Teltonika
Product Code: TSW212
Availability: 10
Weight: 615.00g
Dimensions: 122.20cm x 132.00cm x 44.20cm

Price: 0.00EGP

Short Description

MANAGED ETHERNET SWITCH INDUSTRIAL SWITCHES

8 x RJ45 ports, 10/100/1000 Mbps

2 x SFP ports

Description

MANAGED ETHERNET SWITCH

TSW212 is an L2 managed Ethernet switch with additional L3 features like DHCPv6 EtherNet/IP, PROFINET ensure robust long-range fiber optic communication, 2 SFP ports to

MANAGED SWITCH

L2 with additional L3 features for advanced management capabilities

PROFINET & MORE

Supports PROFINET for automated data processing alongside other protocols, like EtherNet/IP and MRP

ETHERNET & SFP

8 x Gigabit Ethernet ports and 2 x SFP ports for fiber optic communication

TSWOS

Teltonika Networks OS for switches, intuitively designed for infinite configurations

NETWORK

MRP	MRP client role, MRP manager role
L2 features	Loop protection, Forwarding table, VLAN, STP/RSTP
DHCP	DHCP server, DHCP client, DHCP static leases capable of using MAC with wildcards
Port Settings	Enable/disable, link speed control, port isolation, EEE (802.3az) management, Port Mirroring
L3 Features	Static IPv4 routing, static IPv6 routing, DHCPv6 client, static IPv6 address
